### Content and structure area

Scope and content	<p>This chronological file consists of copies of the outgoing letters and memoranda, both those handled for President Conable by Marianne Haug and Haug's own correspondence. The records begin in July 1985 when Haug was the Assistant Director of the Industry Department, continue through her service as Assistant Director, West Africa Projects, and conclude in May 1990 at the end of her stay in the President's office. A few incoming letters are included. The files for the periods mid-October 1985 through March 1986, October through December 1986, and mid-March through June 1989 are missing.</p> <p>The files are useful both for their window onto the issues handled in the president's office and also for the glimpse they give of Haug's work as the first woman to serve as an Executive Assistant to the President of the Bank.</p>
