Content and structure area

Scope and content	<p>Series consists of records created by the CGIAR's International Agricultural Research Centers (IARC) and which relate to their financial, operational, and reporting responsibilities. The series includes records from two IARCs: the International Livestock Centre for Africa (ILCA), based in Ethiopia, and the International Laboratory for Research on Animal Diseases (ILRAD), based in Kenya. In 1994, the two programs merged to form the International Livestock Research Institute (ILRI) which based itself in Kenya.</p> <p>ILCA records include: materials related to the origins of the ILCA, including a report entitled Final Report of the Initial Stage of the Proposal for the Establishment of the International Livestock Centre for Africa (ILCA) (1975); conference materials, including conference papers; ILCA authored and commissioned reports; annual reports (1981-1994); the ILCA Staff Regulations and Rules (January, 1980); reports related to long term planning and strategies; ILCA Board of Trustees meeting agendas, minutes, and supporting material; ILCA Board of Trustees Handbook (undated) and Rules of Procedure (1983); financial statements, budget statements, Auditors' Report and Accounts reports (1975-1987), and Programme and Budget reports (1975-1988); board appointments records; the ILCA Bulletin (1978-1989); the ILCA Newsletter (1982-1991); other related newsletters; external management reviews; ILCA Directors' statements; and International Centers Week (ICW) presentations.</p>
