Dates	1974 - 1982 (Creation)
Level of description	Series
Extent and medium	6.40 linear feet of textual records

### Context area

Name of creator	<a href="#">Development Committee</a>
Repository	<a href="#">World Bank Group Archives</a>

### Content and structure area

Scope and content	This series contains correspondence and background material relating to development issues studied by the Development Committee. It includes the principal body of records on the Working Group on access to capital markets. These files are essential for understanding the initial conceptualizations of the Development Committee as to its area of activity and the extent of its coordinating functions in the field of development.
Accruals	Accruals are not expected.
System of arrangement	Arranged alphabetically by the following subjects: Aid; Capital markets access; Conference on International Economic Cooperation (CIEC); Commodities and trade; Developing countries; Debt; Energy; Export credits; Food; International organizations; Oil and OPEC (Organization of Petroleum Exporting Countries).

### Conditions of access and use area

Conditions governing access	Records are subject to review by the Development Committee. Researchers should be aware that the review process may be lengthy.
Conditions governing reproduction	Permission of the Development Committee required.
