Content and structure area

Scope and content	<p>Series consists of records created and received by the Director of OED's Agriculture and Human Development Division (OEDD1). Specifically, the series contains records gathered by OEDD1 Director Graham Donaldson, including reports, correspondence, intra-OED memoranda, agendas and minutes of meetings, and seminar outlines. The records generally relate to the extension of OED's influence and the dissemination and use of OED products throughout the Bank, in international organizations, and in other countries. Among the topics covered are: a review of OED reports and advice regarding their publication; policy regarding the dissemination of OED findings and information; the establishment of operations evaluation programs in other countries and in the Inter-American Development Bank; the Bank's coordination with countries and other organizations doing post evaluations of projects fully or partially funded by the Bank; Bank-provided training on program monitoring and evaluation; and the Evaluation Capability Development Program. Included are a number of requests from Bank staff and from non-Bank organizations for specific OED reports. Two large folders on the Joint Audit Committee (JAC) include: intra-OED memoranda regarding the Department's responses to specific JAC inquiries and requests; agenda and minutes of JAC meetings; the OED Director's requests for Donaldson's comments on JAC reports; OED's proposals for the JAC work program; and OED comments on the Report of the Working Group on Project Completion Reports and on the Report of the Task Force on Dissemination and Utilization of OED Findings.</p>
