## Content and structure area

Scope and content	<p>Series consists of records relating to a report that Jennings led focusing on the financial analyst function in the World Bank entitled "A Study of the Financial Analyst Function in the Bank". The report was undertaken in response to a recommendation in the November 1974 Staff Development Report. Staff from sector departments in the Bank's regional vice presidencies participated in the study. Records include: a draft of the final report; comments on the draft report from various Bank staff; Terms of Reference (TOR) for the report and Jennings' participation; the questionnaire used in the writing of the report; questionnaire distribution list; and memoranda.</p> <p>Series also includes records relating to the authoring of a report entitled "The Purpose and Form of Financial Covenants in Public Utility Loans and Credits" which Jennings participated in. Included are two draft versions of the report dated February and June 1976, respectively. Memoranda discussing the topic and the report are also included.</p>
System of arrangement	Original order of the records inside of the folders has been maintained. Records are generally arranged chronologically with some exceptions.
