Identity area

Reference code	WB IBRD/IDA WB_IBRD/IDA_89-03
Title	Knowledge and learning events
Dates	1980 - 1999 (predominant 1997 - 1999) (Creation)
Level of description	Series
Extent and medium	2.52 linear feet of textual records; 43 audiocassettes; 2 videocassettes

Context area

Name of creator	Population, Health, and Nutrition Sector
Repository	World Bank Group Archives
Immediate source of acquisition or transfer	Records were transferred to the Archives by the Human Development Network Health, Nutrition, and Population Team (HDNHE) in 2001 in accordance with approved records retention schedules.

Content and structure area

Scope and content	<p>Series primarily contains records related to conferences, seminars, internal training courses, brown bag lunch (BBL) presentations, or other events organized or attended by the Health, Nutrition, and Population Team (HDNHE) and previous units. A portion of the records were maintained by Principal Economist Helen Saxenian who was also the health, nutrition, and population sector training coordination committee chair. Records were also maintained by Senior Nutritionist Judith McGuire, Consultant Joy Miller de Rosso, and others.</p> <p>Records comprising the series include: correspondence; seminar and presentation papers; back-to-office reports, several regarding health reforms and health systems studies; sound and video recordings of presentations; hard copies of presentation slides; minutes and agenda of committee training meetings; and learning materials such as course descriptions and BBL summaries occasionally filed with statistical data tables or articles.</p> <p>Topics include, but are not limited to: HIV/AIDS, evidence-based medicine, vaccines, health care and poverty, nutrition, health and social sector reform, Safe Motherhood or women and children's health, and country health care systems.</p> <p>There are also two files related to the Bank's Economic Development Institute (EDI) case studies (1980 - 1990).</p>
-------------------	---

The series also contains audiocassette recordings of the Food and Nutrition Policy Course (1997 - 1998) and one file of textual records containing the course material. The videocassette titles included in the series are "What do Women and Children Die of?" (1998) and "Challenges for Health Sector Reform in Latin America and the Caribbean" (1999).
