### Content and structure area

### Scope and content

This series consists of two subseries: President Conable's addresses and opening remarks at the Annual Meetings between 1986 and 1991, and a chronological set of speeches during the course of his Presidency. The files include correspondence, drafts, press releases, agendas, talking points, and background information about the organization or meeting to which Conable was speaking. Two speech file folders are empty, and the series appears to be incomplete.

A copy of a speech by Michel Camdessus, the Managing Director of the International Monetary Fund, is included with the 1989 Annual Meeting speeches.

### System of arrangement

Records are arranged in two parts: Annual Meeting speeches and General Meeting speeches. They are thereunder arranged chronologically.
