The files generally contain: copies of the DGO's correspondence with other Bank units (the Regional units, the Sectors, the Economic Development Institute, and IFC's evaluation unit) regarding their contributions to the report; draft initiating notes and outlines for the report; notes to the OED Management Team and other intra-OED memoranda regarding the report; comments on drafts of the report; copies of the draft management response to the report; printing requests for the report; copies of the DGO's statement to the Executive Directors regarding the report; summaries of discussions of the report at meetings of the Executive Directors; and post-publication correspondence regarding the report. Files for reports generated under DGOs Kapur and Picciotto consist almost exclusively of electrostatic copies; files for DGO Rovani contain original documents.
