Content and structure area

Scope and content	<p>This sub-series contains the working files of the Directors-General, Operations Evaluation (DGO), documenting the drafting of the Annual Review of Evaluation Results (ARER) for 1981 - 1993. The files for 1981 - 1984 primarily contain correspondence with OED staff members and with staff in the Agriculture and Rural Development Department concerning input for the agricultural section of the report. The later files concern input for the entire report.</p> <p>Most of the documents found in this series are duplicated in WB IBRD/IDA OPE-04-01 (Annual Review Working Files of the Directors, Operations Evaluation Department [OEDDR]), but a few are unique to this series. In some cases, the DGO corresponded directly with the President or with other Bank Vice Presidents regarding the Annual Review without copying OEDDR or forwarding copies of the related replies to OEDDR. In other cases, his special assistants answered Annual Review inquiries, and their correspondence is not duplicated in the OEDDR files.</p>
